

Drupal 7 e-commerce

What we have, and what is possible

Drupal 7 e-commerce

What we have, and what is possible

Ruben Rodriguez
aka cha0s

Former Ubercart developer

cha0s@therealcha0s.net
@cha0s6983

Drupal 7 e-commerce

Ubercart

<http://www.ubercart.org>

Drupal 7 e-commerce

Ubercart

<http://www.ubercart.org>

- Simple port to Drupal 7

Drupal 7 e-commerce

Ubercart

<http://www.ubercart.org>

- Simple port to Drupal 7
 - Namespace hooks with uc_

Drupal 7 e-commerce

Ubercart

<http://www.ubercart.org>

- Simple port to Drupal 7
 - Namespace hooks with uc_
 - Replace CA with Rules

Drupal 7 e-commerce

Ubercart

<http://www.ubercart.org>

- Simple port to Drupal 7
 - Namespace hooks with uc_
 - Replace CA with Rules
- Feature progression
 - Split payment pack module

Drupal 7 e-commerce

Ubercart

<http://www.ubercart.org>

- Simple port to Drupal 7
 - Namespace hooks with uc_
 - Replace CA with Rules
- Feature progression
 - Split payment pack module
 - Overhaul line item system

Drupal 7 e-commerce

Ubercart

<http://www.ubercart.org>

- Simple port to Drupal 7
 - Namespace hooks with uc_
 - Replace CA with Rules
- Feature progression
 - Split payment pack module
 - Overhaul line item system
 - Core to field API

Drupal 7 e-commerce

Ubercart

<http://www.ubercart.org>

- Simple port to Drupal 7
 - Namespace hooks with uc_
 - Replace CA with Rules
- Feature progression
 - Split payment pack module
 - Overhaul line item system
 - Core to field API
 - Refactoring reports

A close-up photograph of a ginger and white kitten. The kitten is looking directly at the camera with a questioning or confused expression, its ears are perked up, and its whiskers are prominent. The background is slightly out of focus, showing what appears to be a wooden surface and a dark object.

Dude...

Wait, what?

Drupal 7 e-commerce

Ubercart

<http://www.ubercart.org>

- Probably not changing much

Drupal 7 e-commerce

Ubercart

<http://www.ubercart.org>

- Probably not changing much
- Don't take it for granted, though

Drupal 7 e-commerce

Ubercart

<http://www.ubercart.org>

- Probably not changing much
- Don't take it for granted, though
- #D7CX is encouraging

Drupal 7 e-commerce

Ubercart

<http://www.ubercart.org>

- Probably not changing much
- Don't take it for granted, though
- #D7CX is encouraging
- Forward porting..?

Drupal 7 e-commerce

Ubercart

<http://www.ubercart.org>

- Probably not changing much
- Don't take it for granted, though
- #D7CX is encouraging
- Forward porting..?
- Same, unless it changes

Drupal 7 e-commerce

DrupalCommerce

<http://drupalcommerce.org>

Drupal 7 e-commerce

DrupalCommerce

<http://drupalcommerce.org>

- NOT a fork of Ubercart

Drupal 7 e-commerce

DrupalCommerce

<http://drupalcommerce.org>

- NOT a fork of Ubercart
- Field API

Drupal 7 e-commerce

DrupalCommerce

<http://drupalcommerce.org>

- NOT a fork of Ubercart
- Field API
- Still some unknowns

Drupal 7 e-commerce

DrupalCommerce

<http://drupalcommerce.org>

- NOT a fork of Ubercart
- Field API
- Still some unknowns
- Slightly behind schedule

Drupal 7 e-commerce

DrupalCommerce

<http://drupalcommerce.org>

- NOT a fork of Ubercart
- Field API
- Still some unknowns
- Slightly behind schedule
- Open process (good)

Drupal 7 e-commerce

DrupalCommerce

<http://drupalcommerce.org>

- NOT a fork of Ubercart
- Field API
- Still some unknowns
- Slightly behind schedule
- Open process (good)
- Evolutionary design?

Drupal 7 e-commerce

DrupalCommerce

<http://drupalcommerce.org>

- NOT a fork of Ubercart
- Field API
- Still some unknowns
- Slightly behind schedule
- Open process (good)
- Evolutionary design?
- No #D7CX promise

Drupal 7 e-commerce

Soooooooooo

Thank you for your patience

Branding

Accessibility

Scalability

Integration

Compartmentalization
